15.UK Registered Pension Scheme - Defined Benefit or Safeguarded Benefits: Important Information

Where you choose to transfer your UK Registered Pension Scheme that holds Defined Benefits or Safeguarded Benefits to a Defined Contribution Scheme, you are giving up your future entitlement to a guaranteed pension benefit and other associated benefits as outlined below. You will not be able to reverse this transfer once we process your request to transfer.

It is a legal requirement that for transfers from a UK Registered Pension Scheme that holds Defined Benefits or Safeguarded Benefits with a value over £30,000 that specialist advice is sought.

Prior to transferring these benefits, you should have considered the following key points with the pension transfer specialist advice and in discussions with your adviser. Please note this is not an exhaustive list and that iPensions Group Limited are not able or authorised to provide you with advice regarding the transfer of benefits.

- As a member of a Defined Benefit scheme you are guaranteed a certain level of pension income payable for life to you from when you retire.
- Your scheme may also allow you to retire early on a reduced guaranteed pension or provide the full level of guaranteed pension to you if you retire earlier due to ill health.
- Your scheme may also provide for a guaranteed level of benefits to your beneficiaries in the event of your death.
- From the date you ceased to be an active member of your Defined Benefit scheme, your pension benefits may increase annually with the aim of keeping pace with inflation.
- If you have an entitlement to a protected early retirement age or are registered with the HMRC for enhanced protection or a protected/enhanced tax-free cash entitlement under your current scheme, this may be lost on transfer.
- Where a UK Defined Benefit scheme becomes insolvent the scheme will have access to the UK Pension Protection Fund providing a degree of protection for your guaranteed benefits.

Under a SIPP, the value of your pension benefits on retirement are not guaranteed and are based on the performance of your investments, the fund value at the point you elect to take benefits and annuity rates at that time, if you decide to buy a pension.

The Money Advice Service website provides further information relating to Defined Benefits which can be accessed here: <https://www.moneyadvice.service.org.uk/en/search?query=defined+benefits>
