05. Services we provide to you

5.1 Your SIPP is established under trust and operates in accordance with the Trust Deed and Rules as set up under the Scheme. The Trustee will hold the assets in your SIPP and not the Provider or Scheme Administrator.

5.2 The Provider sets up the Scheme and the Scheme Administrator carries out the day to day administration of the Scheme, including but not limited to regulatory reporting requirements and Scheme tax returns. The Scheme Administrator will be responsible for ensuring that any investment complies with HMRC rules. However, it is the ongoing responsibility of you and your Appointed Adviser to inform us if either of you are aware or become aware of any investments not complying with HMRC rules.

5.3 We will act upon and execute your Appointed Adviser's instructions and will offer no advisory or discretionary service (otherwise known as service provided by us on an "instruction-led" basis).

5.4 The Scheme Administrator **will not** act as a manager to your SIPP and **will not** accept any liability for the performance or choice of investments selected by you or your Appointed Adviser(s). Please make sure you are fully informed about the type of investment that you choose or your Appointed Adviser(s) assists you in choosing and understand the eligibility, suitability and any associated risks and the fees and charges associated with that type of investment before authorising your investment instruction(s).

5.5 The Scheme Administrator may sell an asset or assets within your SIPP if the continued holding of the investment jeopardises the HMRC registered status of the Scheme.

5.6 We reserve the right, at our discretion, to sell an asset or assets within your SIPP to meet any costs, such as Fees, taxes, charges, expenses and any other professional fee or disbursement.

5.7 Additional services may be provided by us to you at an additional cost (please see clause 15 and the Fee Schedule). These include but are not limited to the following:

- a. Setting up and payment of benefits;
- b. HMRC, FCA or any other required regulatory authority ad hoc reporting;
- c. Technical support;
- d. Provision of information to third parties (e.g. divorce proceedings);
- e. Consideration of complex investments (these services will be determined as such, at the discretion of the Scheme Administrator, and will normally include, but are not limited to, investments which are not authorised or recognised by the FCA; and
- f. Consideration of certain complex transfers as determined as such at the discretion of the Scheme

06. Division of Responsibilities

6.1 We provide the SIPP service to you on an instruction-led basis. This means that we do not provide you with any financial, investment, legal or taxation advice in relation to your SIPP. For the avoidance of doubt this means that we also do not advise or oversee any of your decisions in respect of your chosen Investment Provider and/or the underlying investments which you retain, purchase, or sell within your SIPP.

6.2 We submit your investment instructions when they are provided to us to your Investment Provider. We will not evaluate your decisions or the suitability of the chosen investments as we cannot give you advice and are not aware of your circumstances. This is the nature of an instruction-led SIPP.

6.3 It is your responsibility to decide on the underlying investments to put into your SIPP and as a Retail Client we expect you to engage the services of an Appointed Adviser.

6.4 It is your responsibility to ensure that Appointed Advisers are suitably licensed and regulated to provide you with the required financial and investment advice in relation to your SIPP. Your relationship with your Appointed Adviser is a separate agreement between you and your Appointed Adviser which is for the provision of regulated investment advice, we are not party to that agreement and consequently are not responsible for any advice given to you by your Appointed Adviser in relation to your chosen Investment Provider and any underlying investments, advice in relation to your financial situation or decisions on contributions and transfers to your SIPP or requesting benefits from your SIPP.

6.5 Any Appointed Adviser you choose is required to have a contractual agreement in place with us. This is so that they are able to follow the processes and procedures we require to administer your SIPP in accordance with regulations that bind us, HMRC rules and the Scheme Rules. This contract between your Appointed Adviser and us is not in any way connected to your agreement with your Appointed Adviser for the supply of investment, tax and/ or financial advice.

6.6 If you require legal or taxation advice you are responsible for engaging a suitable adviser, we cannot give you any advice, legal, financial or taxation related.

6.7 As our SIPP service is provided to you on an instruction led basis it is expected that you retain an Appointed Adviser during your membership. However, for any period where you are a Stand-Alone Member any action stated in the Terms to be carried out by your Appointed Adviser shall be capable of being actioned by you as a Stand-Alone Member and any references to Appointed Adviser shall be interpreted accordingly. Furthermore, during the period you are a Stand-Alone Member we are able to accept instructions directly from you on an execution only basis, subject to you signing and returning our Execution Only Service Member Declaration form, which we will provide to you. We recommend if you require ongoing advice in relation to your SIPP that you appoint a regulated Appointed Adviser.

6.8 While your Investment Provider is chosen in agreement with your Appointed Adviser, we reserve the right to and have authority to remove your Investment Provider, any time, at our discretion.

6.9 If your transfer to us is from a defined benefit pension scheme or includes any form of safeguarded transfer benefits, you will have a statutory right to a transfer value. This is known as a cash equivalent transfer value (CETV)

and with a CETV there may be a guarantee date. The guarantee date (GD), on which the CETV is calculated, is the date which sets the start of the guarantee period (can also be known as the acceptance period). We do not have any control over the GD, or the guarantee period. It is the responsibility of you and/or your Appointed Adviser to ensure you submit your application to us as close to the start of the guarantee period as possible to provide us with plenty of time to process your transfer paperwork before the end of the guarantee period. If your application is sent too close to the end of the guarantee period or after the guarantee period has ended it is you and/or your Appointed Advisers responsibility to ensure the CETV is secured. We have no liability to you or your Appointed Adviser in relation to an application provided later in the guarantee period (what constitutes 'later' in these circumstances is at our sole discretion) or after the guarantee period has ended.

We intermittently review investment instructions. If, in doing so, we notice any issues with the investment instruction we reserve the right to return the investment instruction to your Appointed Adviser for clarification before it is submitted to your Investment Provider.

If you leave the Scheme before interest is paid to your SIPP then interest for that period will not be payable to you. We reserve the right to recoup any costs and interest associated with administering the Scheme including the bank account.
