6. Your Right to Change Your Mind

You have the right to change your mind for transfers

iPensions Group Limited will notify you once we have received your signed discharge forms for your transfer(s) or your transfer request where the transfer will be processed using the Origo Options Transfer Service. You will have 30 days from the date we acknowledge the acceptance of your request to transfer to cancel the proposed transfer.

Your right to cancel your transfer is separate from your right to cancel the establishment of your SIPP. You are NOT able to waive your cancellation rights for transfers.

Shortfall provisions that apply to cancellations

If you exercise your right to cancel your transfer, you should be aware that you might not get back the sum you originally invested. The amount you receive is the actual realisation value of the investment upon encashment less any applicable charges or fees which may include Appointed Adviser fees. In addition, the original Pension Scheme is not obliged to accept the return of funds. In this instance it is your responsibility to provide us with details of a Registered Pension Scheme that will accept the returned funds.

Please note that if you instruct iPensions Group to invest transferred funds into illiquid assets within the 30-day cancellation period then we may not be able to return these funds without significant losses.

3. I accept that in order to comply with regulatory obligations, iPensions Group and The Current Provider named in this transfer form, may need to verify my identity and residential address, and may use credit reference agency searches and ask for my documents to verify my identity and address.
4. Until this transfer is accepted and complete, iPensions Group's responsibility is limited to the return of the total payment to The Current Provider.
5. Where the payment made to iPensions Group represent as instructed, this means that I shall no longer be entitled to receive pension benefits from the whole of the plan listed in Section 3, where the whole of the plan is transferring, or part of the plan represented by the payment, if only part of the plan is transferring.
6. I accept responsibility in respect of any claims, losses, expenses, additional tax charges or any penalties that iPensions Group and the current provider may incur as a result of any incorrect, untrue, or misleading information in this transfer form or given by me, or on my behalf, or any failure on my part to comply with any aspect of this transfer form.

8. UK Registered Pension Scheme - Defined Benefit or Safeguarded Benefits: Important Information

Where you choose to transfer your UK Registered Pension Scheme that holds Defined Benefits or Safeguarded Benefits to a Defined Contribution Scheme, you are giving up your future entitlement to a guaranteed pension benefit and other associated benefits as outlined below. You will not be able to reverse this transfer once we process your request to transfer.

It is a legal requirement that for transfers from a UK Registered Pension Scheme that holds Defined Benefits or Safeguarded Benefits with a value over £30,000 that specialist advice is sought.

Prior to transferring these benefits, you should have considered the following key points with the pension transfer specialist and in discussions with your adviser. Please note this is not an exhaustive list and that iPensions Group are not able or authorised to provide you with advice regarding the transfer of benefits.

- As a member of a Defined Benefit scheme you are guaranteed a certain level of pension income payable for life to you from when you retire.
- Your scheme may also allow you to retire early on a reduced guaranteed pension or provide the full level of guaranteed pension to you if you retire earlier due to ill health.
- Your scheme may also provide for a guaranteed level of benefits to your beneficiaries in the event of your death.
- From the date you ceased to be an active member of your Defined Benefit scheme, your pension benefits may increase annually with the aim of keeping pace with inflation.
- If you have an entitlement to a protected early retirement age or are registered with the HMRC for enhanced protection or a protected/enhanced tax-free cash entitlement under your current scheme, this may be lost on transfer.
- Where a UK Defined Benefit Scheme becomes insolvent the scheme will have access to the UK Pension Protection Fund providing a degree of protection for your guaranteed benefits.

Under a SIPP, the value of your pension benefits on retirement are not guaranteed and are based on the performance of your investments, the fund value at the point you elect to take benefits and annuity rates at that time, if you decide to buy a pension.
