\*Applies annually after accessing your retirement benefits, including where a Pension Commencement Lump Sum is taken. This fee will apply from your next Annual Trust Fee anniversary.

### Transfer Out Fees

- To other UK registered pension schemes £500
- To a recognised Overseas Pension Scheme from £1,000\*\*

\*\*The transaction fee payable for transferring to a QROPS will be calculated on a time cost basis.

### Supplementary Fees

The Trust and Platform Services Fees cover the provision of a standard SIPP Platform Service as detailed in the Terms of Business for The Platform SIPP. Other services, including HMRC ad hoc reporting, technical support, provision of information to third parties (e.g. divorce proceedings), and review of complex investments will incur Supplementary Fees charged on a time cost basis. Details of Supplementary Fees are available upon request.

We only accept assets that comply with the FCA's standard asset definition. Where your Platform SIPP holds an asset that is no longer deemed standard, we reserve the right to apply an annual Non-Standard Asset Charge of £300, for as long as the asset(s) are non-standard.

The Platform Services Fee is VAT exempt. All other Fees exclude VAT and members who are EU resident will be subject to VAT at the prevailing rate.

Fees are further detailed in the Terms of Business for The Platform SIPP, as varied from time to time.

### Payment of Fees and Fee Amendments

Fee payment and deductions are further detailed in The Platform SIPP Terms of Business, as varied from time to time. The Scheme Administrator may retain, at their discretion, an amount, generally no greater than £1,000 (or currency equivalent) in the investment portfolio relating to your SIPP to facilitate the payment of Fees and any charges. The purpose and operation of the retained balance is detailed in The Platform SIPP Terms of Business. We reserve the right to alter this Fee Schedule, at any time, by providing you with 30 days' prior notice.
